HRO, PMO and LER Communities,

As you are aware, on December 13, 2017, OPM issued [Guidance for Implementation of Executive Order 13812](#) regarding the status of union forums and councils. Consistent with this guidance, the agency must take the following actions:

- Rescind all agency-wide and local labor-management partnership councils, committees, and labor-management forums, irrespective of whether they were formed pursuant to E.O. 13522 or a different authority.

- If your organization has issued “orders, rules, regulations, guidelines, or policies” in connection with the creation of the forums, you should rescind those instruments and documents that are associated with these forums and which may create legal impediments to abolishment of the forums.
- If a forum or associated guidelines, rules, or policies have imbedded into a collective bargaining agreement or other memorandum of understanding with a collective bargaining agent for employees at the agency, you must seek to renegotiate those terms at the earliest practicable juncture.

If you have any future forum or council meetings scheduled (that are not covered by a collective bargaining agreement or other enforceable MOU), you must cancel all associated meetings.

The sequencing of this is as follows:

- 1/12/2018 – Notice to LER and HR Communities
- 1/16/2018 – Notice to Stephanie Doolan, EPA union council national representative, and EPA national union representatives
- 1/17/2018 – Briefing for ARA community
- 1/26/2018 – Confirmation of compliance due to LERD (see below)

Please respond to me and Bob Coomber no later January 26, 2018, confirming your compliance with this guidance. If you have a forum or council that is covered by a CBA or MOU, please respond with a copy of the relevant agreement, and the earliest date at which it can be reopened.

Thank you for your patience, understanding and compliance with this guidance. Please contact either me or Bob Coomber at 202-564-0955 if you have any questions.
